EXTREME RELIABILITY

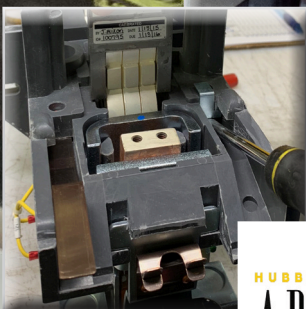

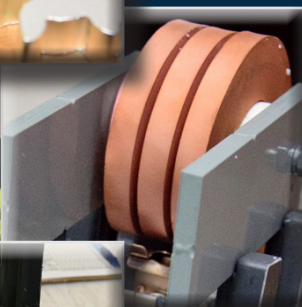

Hubbell Contactor Overhauls

Authorised Repairer

We are the only authorised repairer
for Hubbell Contactors in Australasia,
backed by the manufacturer.

- Genuine OEM Components with full factory warranty
- Factory approved service processes and quality assurance
- Direct access to Hubbell's Engineering Team
- Full contactor exchange service available
- Asset tracking and reportable history
- Flexible fixed pricing options greatly reduce turnaround time by removing the quoting process

Contact us to discuss your fleets DC Contactor Overhaul requirements. We can arrange a hassle free maintenance schedule, keeping your downtime to an absolute minimum and providing you with *Extreme Reliability*.
